YOUR QUILTED HEADBOARD

tine/home

We know the importance of comfort when it comes to creating a complete experience. Tine K Home furniture can be customized to suit all needs and wishes.

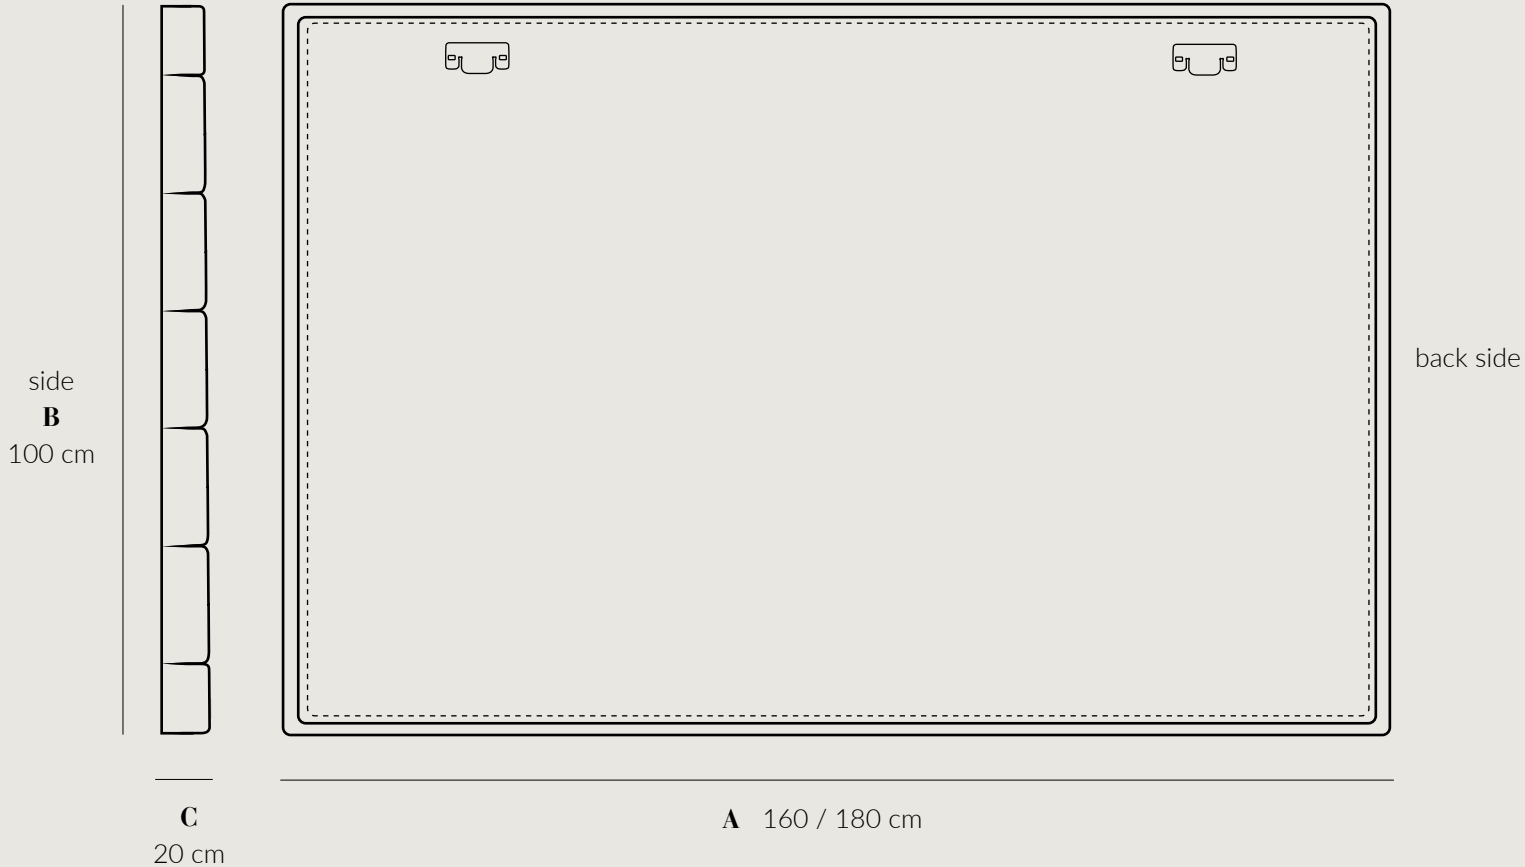

When decorating a home there is a lot to consider. Furniture needs to be versatile, unique and also reliable stables for many years. With our line of soft furniture, we combine all this with high quality design.

Our furniture collection contains designs for many purposes: small poufs in various shapes, elegant sofas in many sizes, a daybed in a delicate design and many more. The possibilities are endless, and it all starts with your project and preferences.

Let Tine K Home customize your own personal furniture.
