# HOW IT'S MADE

Informations about what our furniture is made of

## CLASSIC COLLEKTION

Our classic collection consist of our SOFAL, CHAIR120 and POUF.  
The series has a minimalist and classic look with clean lines.

## CORPUS

The corpus are produced of FSC certified pine wood or beech wood  
combined with fiberboard, solid cardboard and FSC certified particleboard.

## SEAT

For keeping the comfort of the seats there is used Nosag (wave springs).  
High flexible foam is glued on the corpus with hypoallergenic silicone stuffed  
pockets (chambers).

## CUSHION

The chair comes with an extra seat cushion of high flexible foam with  
wadding above in a 100 % cotton cover.

## COVER

The corpus cover is sewn in 100% cotton, to secure the foam stays at its  
place.

## LEG

After upholstery (upholstery binders) the cotton cover, the FSC certified beech  
wood legs are screwed on.
