### MOSS

Our quality Moss is made of 50% recycled polyester and 50% vergin polyester.

Our MOSS fabric comes in sand, mousse, walnut and grey color and together with the quality of the fabric it creates a soft and cozy atmosphere. MOSS is OEKO-TEX certified and flame retardent certified (USA). Dry clean only.

### BARBAT

Our quality Barbat is made of 41% acrylic, 38% polyester and 21% cotton.

Our BARBAT fabric comes in khaki, sand and grey color. The fabric quality, with its structure, gives your interior an exclusive and elegant look. Dry clean only.

### JOPLIN

Our quality Joplin is made of 100% linen, which gives the cover a casual and soft look.

Our fabric Joplin comes in white, mud, and shadow color which gives the cover a casual yet exclusive and soft look. Dry clean only.

### JAZZ

Our quality Jazz is made of 60% linen and 40% cotton.

Our Jazz fabric comes in white, phantom and kit color. The quality gives the cover a calm and balanced look. Dry clean only.

### ICA

Our quality Ica is made of 100% cotton.

Our fabric Ica comes in white, phantom, grey, sand and khaki. The quality gives a casual and elegant look to your interior, and the color phantom, grey, sand and khaki is OEKO-TEX certified and flame retardant certified (EU), (UK) and (USA). Dry clean only.

### PEPE

Our quality Pepe is made in 75% recycled cotton and 25% polyester, and is OEKO-TEX certified.

Our quality Pepe comes in nature, cream and white, that gives a calm and calm look. Dry clean only.

# HOW IT'S MADE

Informations about what our furniture is made of

## MODULE COLLECTION

Our module collection consist of our MODULE, MODULECORNER, MODULECURVE, MODULEPOUF and MODULELONG.

The Tine K Home Module series is created with Scandinavian simplicity in mind. With the soft organic shapes, our module series invites relaxation and coziness, and works in both small and large homes. The module series consists of individual sofa modules that can be combined in different ways so that you can create a sofa according to your needs.

## CORPUS

The corpus are produced of FSC certified pine wood or beech wood combined with fiberboard, solid cardboard and FSC certified particleboard.

## SEAT

For keeping the comfort of the seats, the cushions are made of upholstery belts. High flexible foam is glued on the corpus with hypoallergenic silicone stuffed pockets (chambers).

## COVER

The corpus cover is sewn in 100% cotton, to secure the foam stays at its place.

## LEG

After upholstery (upholstery binders) the cotton cover, the FSC certified beech wood legs are screwed on.
