HOW IT'S MADE

Informations about what our furniture is made of

CLASSIC COLLEKTION

Our classic collection consist of our SOFAL, CHAIR120 and POUF.
The series has a minimalist and classic look with clean lines.

CORPUS

The corpus are produced of FSC certified pine wood or beech wood
combined with fiberboard, solid cardboard and FSC certified particleboard.

SEAT

For keeping the comfort of the seats there is used Nosag (wave springs).
High flexible foam is glued on the corpus with hypoallergenic silicone stuffed
pockets (chambers).

CUSHION

The chair comes with an extra seat cushion of high flexible foam with
wadding above in a 100 % cotton cover.

COVER

The corpus cover is sewn in 100% cotton, to secure the foam stays at its
place.

LEG

After upholstery (upholstery binders) the cotton cover, the FSC certified beech
wood legs are screwed on.
